

**1. When will I be notified if I have been selected as a page?**

You will receive a letter in early December notifying you of your acceptance or non-acceptance into the Legislative Page Program.

**2. Is it all right to send my application to Pierre so my sponsor may sign the application when my sponsor comes to Pierre?**

**NO!** If your application lacks your sponsor's signature, the application will be returned to you. Only signed applications will be considered. Stating on your application that an individual "has agreed to be my sponsor" is not sufficient. Your application will be returned to you.

**3. The application requests reference letters. To whom should these letters be addressed?**

If you are applying to serve in the Senate, your reference letters should be addressed to the President Pro Tempore, the appointing authority in that chamber. If you are applying to serve as a House Page, your reference letters should be addressed to the Speaker, the presiding officer of the House of Representatives and the appointing authority of the House Pages.

**4. Who is a legislator-elect?**

A legislator-elect is someone who is not currently a member of the Legislature but who has been elected to serve in the Legislature beginning with the next legislative session.

**5. Do I have to wait until after an election to have my application signed?**

No. An incumbent legislator who is seeking reelection may sign your application at any time; however, a new member can only sign your application after being elected to the Legislature.

**6. What if my sponsor is not reelected and I have already sent my application to Pierre?**

If your sponsor is a current legislator who is not reelected, your application will remain under consideration for appointment as a Legislative Page.

**7. Will I work just for the legislator who sponsors me?**

Not necessarily. You may be assigned to a specific group of legislators; however, it is your obligation to assist any and all legislators as needed.

**8. What is a standard workday?**

The Legislature begins with committee meetings at 7:45 a.m., so pages need to be in the office by 7:30 a.m. Floor sessions convene at 2:00 p.m. The floor sessions vary in length from two hours to well after 6:00 p.m. Certain committees also have night meetings, so you should keep your schedule flexible.

**9. Will the Page Adviser arrange transportation for me while I'm in Pierre?**

No. You are responsible for your transportation during your stay in Pierre.

**10. When will I know my term assignment?**

Approximately a week after you receive your acceptance letter, you will receive a letter from the Page Adviser telling you about your term assignment.

**11. Will I be assigned the term of service that I listed as my first choice?**

The Page Adviser makes every effort to assign you to your most preferred term of service. It is not always possible, however, to accommodate all first-choice requests.

**12. Will I have a better chance of being selected if I submit more than one application?**

**NO!** Duplicate applications will be returned to you.

**13. Will I have a better chance of being selected if I have more than one sponsor sign my application?**

**NO!** If your application has multiple sponsors, your application will be returned to you for verification of your sponsor. You should have only one sponsor.

**14. How much will I be paid?**

You will receive \$50 for living expenses for each day you serve.

**15. Where will I stay while I'm in Pierre?**

The Page Adviser will locate housing for you if you have not made your own arrangements.

## **16. How much will my lodging cost?**

Housing details such as cost and house rules are between you and the host family. The Legislative Research Council does not get involved in these matters, and these details should be agreed upon before you arrive in Pierre to begin your service as a Legislative Page.

## **17. Is there a dress code for Legislative Pages?**

**ABSOLUTELY!** You will want to be taken seriously as a member of the legislative branch; therefore, you will want to create a favorable impression in the political/business environment of the legislative session. The Legislature provides each page with three shirts/tops in distinctive colors for each House. This insures that you will be recognized as pages and that you can perform your work in the most effective way. If you are selected to serve as a Legislative Page, you will be provided with specific “Do’s and Don’ts” for your attire.
